Examiner's Detailed Office Action

1. The finality of the previous office action of March 3, 2006 is withdrawn.
2. This Office is responsive to application 10/073,608, filed August 3, 2006.
3. Claims 6-15 are pending. Claim 7 is currently amended. Claims 1-5 are cancelled. Claims 6 and 8-10 are previously presented. Claims 11-15 are new.
4. After the previous office action, claims 1-10 stood rejected.

Objections to the Drawings

5. The subject matter of this application admits of illustration by a drawing to facilitate understanding of the invention. Applicant is required to furnish a drawing under 37 CFR 1.81. No new matter may be introduced in the required drawing. Any proposed computer architecture must be illustrated. All object, property, and data structures must be diagrammed. Flowcharts must be supplied for all algorithms disclosed.

Applicant is given a TWO MONTH time period to submit a drawing in compliance with 37 CFR 1.81. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a). Failure to timely submit a drawing will result in ABANDONMENT of the application.

Objections to the Claims

6. Claim 14 is objected to because of the following informalities: "claim 1" should be --claim 11--. Appropriate correction is required.

Claim Rejections - 35 USC § 112, 2nd

7. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

8. Claims 6-10 and 11-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

9. Claims 6 and 11 recite the limitation "said correlation" in bullet d). There is insufficient antecedent basis for this limitation in the claim. Because claims 7-10 and 12-15 depend from 6 and 11, respectively, they are also rejected under 35 U.S.C. 112, second paragraph.

Response to Arguments

10. Applicant's arguments with respect to claims 1, 2, and 7 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
